4-H Nova Scotia Livestock Registration

Year: _____ Club: _____ County: _____

All livestock must be registered and this registration sheet must be submitted to your Regional Agriculture Leadership Coordinator by **May 15**, of the current 4-H year, to provide the necessary information for livestock clerking sheets and barn layouts for county 4-H shows.
PLEASE NOTE: After Achievement Day, no livestock substitutions can be made.
Pre-registration forms are still required for the Royal Dairy Classic and the Canadian Junior Beef Heifer Classic.
Please group livestock types together (i.e., dairy calves, then beef, then sheep, etc.).
