

# Nova Scotia Department of Agriculture

## Agriculture & 4-H Scholarship

### Scholarship Donor

Each year the Nova Scotia Department of Agriculture recognizes the development of young people in agriculture through its Department scholarships. It offers up to four (4) \$1,000 scholarships annually. Scholarships will be presented to students

### Who is Eligible?

Rural youth, including, current and past 4-H members, in grade 12, are encouraged to apply for this scholarship. Applicants must be entering a Bachelor Program in Agriculture, Veterinary Science, or other disciplines related to agriculture. Applicant should be planning on perusing a future career related to agriculture.

### How to Apply?

All applicants must complete the attached application, providing details on their 4-H background. A write an essay, of 1500 words, on the topic: *"Agriculture's Importance to Rural Communities"*, must accompany the application. In additional, a letter of recommendation from a community leader, and the applicant's current school transcript, must also be submitted.

**Complete applications, which meet eligibility, will be judged by a panel of judge using the following scoring system:**

30% - Application

50% - Essay

20% - Transcript Marks

### **APPLICATION CHECKLIST:**

- Completed Application
- Essay (types or neatly handwritten)
- Letter of Recommendation
- Transcript

**Application Deadline:  
April 1, current 4-H year**
