

Livestock Displays at Provincial Show

County Livestock displays can be set-up beginning at 11:00 on Friday morning; all livestock, **except for cattle**, can be moved in at this time. Cattle cannot be moved into stall until after 1:00 PM. Cattle Trailers will be held in Ring 1 until cattle livestock displays are completed (trailers must be removed from the ring by 6:00 PM).

Please use the below photo and information to help your county better prepare for your livestock display at Provincial Show this year.

*distance from barn roof to fascia crossbar is 2.5 feet

*Distance from fascia crossbar to ground is 8 feet
